Letter No G 76/47-8/E 3 dated 2nd September 1947 from the Chairman, City Improvement Trust Board, Bangalore to the Secretary to Government of Mysore, Revenue Department, Bangalore

"Adverting to your letter D O letter No L 3078/E 1 dated - 22-8-1947 enclosing for necessary action a copy of the minutes of the meeting in the Dewan's Chambers on 14-8-1947, I have the honour to state that a meeting of the Allotment Committee was called for on 30-8-1947 and several decisions taken I enclose a copy of the Proceedings for the information of Government The subjects referred to this Committee as per minutes referred to above were:-

(i) The consideration of conditions subject to which the sites are to be disposed of in the area

(ii) Zoning of industries in the area

(iii) The proposal of the Trust Board for the formation of sites of smaller dimensions to meet urgent demands

(iv) Approval of the draft notice proposed to be published inviting applications for sites in the Industrial Suburb and also approval of the draft questionnaire

2 All these subjects were placed before the Allotment Committee and resolutions were passed as detailed in the proceedings attached herewith

3 I am enclosing herewith

(i) The draft conditions subject to which sites are to be disposed of, as resolved

(ii) The form and the terms of the notice proposed to be published inviting applications for sites in the Industrial Suburb

(iii) The form and terms of the Questionnaire or Application forms to be given to the applicants

As per directions in the Minutes, the above are to be approved by Government

4 Since these forms are to be made available to intending applicants very urgently, I request approval of Government may be obtained immediately and sent to me

5 I may add that these drafts have found unanimous acceptance of the Allotment Committee The enforcibility of the conditions may also be gone into

I solicit very early orders approving these drafts "

Subject No 5 Consideration of the question of Zoning of Industries -

***

The Director of Industries pointed out that there need not be any hard and fast rule for this, except in the case of Chemical Industries, and such other Industries that were likely to affect the public health and sanitation, which might be zoned, and that this question might be decided and when such cases come up before the Board

Mr Nayath and Mr Narasimhiya also agreed and it was accepted by the Committee
